

Uputstvo za kreiranje naloga za elektronsku poštu

Kliknite na dugme Start (donji levi ugao ekrana)  → All Programs → Windows Live Mail. Kliknite na opciju Accounts u meniju, i zatim na polje Email (slika 1)

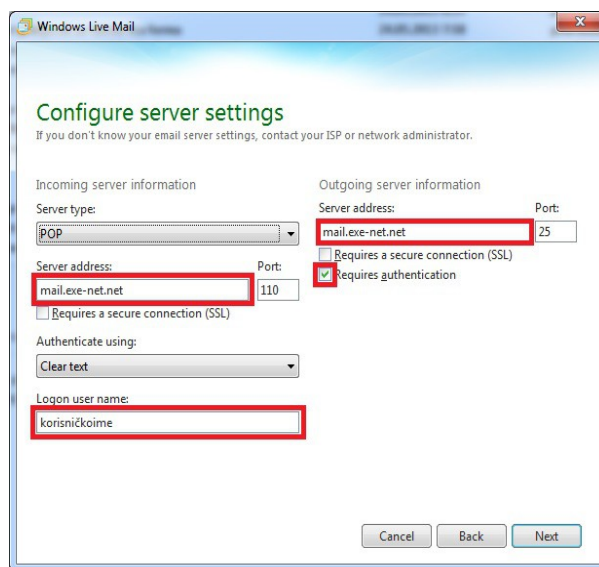

Slika 1.

Pojaviće se upit kao na slici 2. Unesite podatke kao što je na slici prikazano i kliknite na dugme Next.

The screenshot shows the 'Add your email accounts' dialog box in Windows Live Mail. It has a title bar and a close button. The main content area contains the following fields and options:

- Email address:** A text box containing 'korisnickoime@exe-net.net'. Below it is a link: 'Get a Windows Live email address'.
- Password:** A text box containing 'Lozinka'. Below it is a checked checkbox: 'Remember this password'.
- Display name for your sent messages:** A text box containing 'Ime i Prezime'.
- At the bottom, there are two checked checkboxes: 'Make this my default email account' and 'Manually configure server settings'.
- At the bottom right, there are 'Cancel' and 'Next' buttons.

Slika 2.

The screenshot shows the 'Configure server settings' dialog box in Windows Live Mail. It has a title bar and a close button. The main content area contains the following fields and options:

- Incoming server information:**
 - Server type:** A dropdown menu set to 'POP'.
 - Server address:** A text box containing 'mail.exe-net.net'.
 - Port:** A text box containing '110'.
 - There are two unchecked checkboxes: 'Requires a secure connection (SSL)' and 'Requires authentication'.
- Outgoing server information:**
 - Server address:** A text box containing 'mail.exe-net.net'.
 - Port:** A text box containing '25'.
 - There are two unchecked checkboxes: 'Requires a secure connection (SSL)' and 'Requires authentication'.
- Authenticate using:** A dropdown menu set to 'Clear text'.
- Logon user name:** A text box containing 'korisnickoime'.
- At the bottom right, there are 'Cancel', 'Back', and 'Next' buttons.
